

# EXPONENTIAL ROUNDTABLE

## 13 OCTOBER 2020

ONE DAY, 130 CITIES, 28 NATIONS,  
24 LANGUAGES, 6 TIME ZONES.

# IGNITING — A — CULTURE — OF — MULTIPLICATION

### Welcome to Exponential Roundtable

*Exponential is a community with a cause. Our common vision is to see reproduction and multiplication becomes the norm in the language and behaviour of the church of Europe.*

*The topic of Exponential Roundtables 2020 is: Igniting a Culture of Multiplication. We want to see multiplication of the gospel, disciples, leaders, churches and networks. During the day we will focus on the different aspects of multiplication.*

*Culture can be defined as: Spontaneous repeated patterns of behaviour. Culture is shaped from the passion in your heart and the conviction in your mind.*

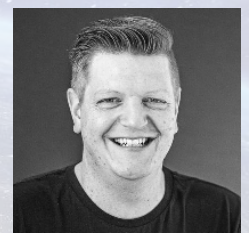

*What we value becomes what we prioritise, and what we prioritise becomes our story and language and is visible through our behaviour.*

*We want to provide you with resources that will serve you and your church as you work towards planting new churches. On our website [exponential.courses](https://exponential.courses) you will find the content from all the workshop speakers freely available. You can also access the Exponential Roundtable book online.*

*It is a privilege to serve alongside you.*

<b>30 MIN</b>	<p><b>GROUPS</b> [LOCAL]</p> <p><i>Raphael explained how Multiplication is a biblical concept. Gospel, disciples, leaders and new churches multiplied, but it happened through the obedience to the Holy Spirit. Then Dave Ferguson spoke about the Narrative of Multiplication, the importance of the language we use and the story we tell. This reinforces the culture we want to build. Based on the two teachings, ask each other:</i></p> <ol style="list-style-type: none"> <li><i>1. What was God speaking to you through the two teaching sessions and what inspired you the most?</i></li> <li><i>2. What lessons can we learn from the three-stage model of church planting in the early church?</i></li> <li><i>3. Do you have a story to tell which will help to create a culture of multiplication? Briefly share it.</i></li> </ol>	LINK <a href="#"><u>LEAR.NO/11</u></a>
